

# **Boldmere Shaggy Dogs**

## **2020/21 Presentation Newsletter**

There is no doubt that 2020/2021 season was the most difficult year the Shaggies have ever experienced. The Coronavirus Pandemic came out of nowhere and completely changed the lives of every one of us. Notwithstanding the tremendous personal issues affecting all of us, it was difficult back in Spring 2020 to see how we could continue to play golf, or if we could, how we could ever get to the point of running our 2020 Trophy Program.

But the shaggies are a resourceful bunch. As soon as possible we implemented Whatsapp to ensure we could keep in touch and keep our spirits up. We then adopted the England Golf Coronavirus rule changes and designed a scorecard (later adopted by Mytime) and methodology to ensure golf and the return of scores could be managed in as safe a manner as possible. If that was not enough, the whole of the golfing world was turned upside down by the implementation of the new World handicapping System which meant running education programs for ourselves. Add to that the required implementation of Safe Golf at Boldmere to support Children and Vulnerable Adults and seems unlikely that we could have managed to run a Trophy program in 2020. But We did! And here finally, are all the results and some photographs of our alfresco presentation on 30 July 2021 when the available winners were presented with their Trophies.

Competition	Winner	Runner up
The Mac Trophy Pairs	Stan Osborne / Doug Corfield	Trevor Jones / Chris Cooper
The Ron Bartholemew Three Club Challenge	Jim Dowling	Graeme Reid
